## A Great Family Volunteer Opportunity!

Feed My Starving Children (FMSC) is a nonprofit founded in 1987. They believe food is the foundation for all other progress. To a starving child, hope can only truly begin once a reliable source of nutritious food has been established. FMSC produces three special MannaPack™ meal formulas to specifically stop malnutrition. **Volunteers like you package and box the food at these events.** Boxes are distributed through an exceptional network of missions and humanitarian organizations around the world to those in need.
